

Orange Heart Medal Foundation

Application for your **FREE** Orange Heart Medal

There are now **19 health conditions** that are universally recognized as effects from the exposure to the dioxins used during the Vietnam War, offering eligibility for the medal.

POST-TRAUMATIC STRESS is NOT one of them.

Circle which conditions apply to your health .

- | | |
|-----------------------------|------------------------------------|
| 1. Amyloidosis | 11. Diabetes Mellitus Type 2 |
| 2. Porphyria | 12. Multiple Myeloma |
